

Proclamation

Recognizing February 16-22, 2025, as National Engineers Week

“Design Your Future”

WHEREAS, engineers use their scientific skills and specialized knowledge and skills in creative and innovative ways to fulfill society's needs; and

WHEREAS, engineers help solve major technological challenges of our time - from designing efficient building systems to rebuilding towns devastated by natural disasters; and

WHEREAS, engineering has been called the invisible or stealth profession because everything around us and things we use every day have been engineered in some way, yet we may not see the engineers behind the scenes or know much about engineering; and

WHEREAS, founded in 1951, National Engineers Week (EWeek) is dedicated to ensuring a diverse and well-educated future engineering workforce by increasing understanding of, and interest in, engineering and technology careers; and

WHEREAS, EWeek is a formal coalition of more than 70 engineering, education and cultural societies, with more than 50 corporations and government agencies dedicated to raising public awareness of engineers' positive contributions to quality of life; and

WHEREAS, EWeek promotes recognition among parents, teachers and students of the importance of a technical education and a high level of math, science and technology literacy, and motivates youth to pursue engineering careers in order to provide a diverse and vigorous engineering workforce.

NOW, THEREFORE The Morrisville Town Council does hereby recognize the week of February 16-22, 2025, as National Engineers Week and calls upon all residents to join with representatives of the National Society of Professional Engineers and government agencies in activities, events, and ceremonies designed to pay tribute to our engineering professionals and to recognize the substantial contributions they make to technological advancements, global challenges and creating a future shaped by their collective ingenuity.

TJ Cawley, Mayor

Erin Hudson, Interim Town Clerk
