

"Dedicated to Improving Communication among ASHRAE's standing Historical Committee, Regional and Chapter Historians"

Welcome to the second edition of this periodic informational newsletter, authored by the Communications Subcommittee of the ASHRAE Historical Committee. For the Society year 2011-2012 the members of this subcommittee are Bernard Nagengast, Subcommittee Chair, and all of the Regional Historians. This newsletter is written by Bernard Nagengast.

Resources for Regional and Chapter Historians - please bookmark them!

www.ashrae.org/members/page/315. This is the Historical Committee page on ASHRAE's website. (The Historian's Guide can be found under Policies and Procedures.)

<http://www.ashrae.org/File%20Library/docLib/Committees/Historical/Gold-Ribbon-Award-Form.doc>

This is the link to the Gold Ribbon Submission form.

SECOND CALL: Region Histories and Timelines: At the bottom of the Historical Committee page there is a list of Region Histories and timelines. Is your history and timeline represented? If it's not there, it should be! A complete history would include histories of student branches, CRC events, any Society meetings held within the region, and a list of Society Awards within the region. Send new entries and revisions of existing histories and timelines to Sarah Foster, at: sfoster@ashrae.org

Lou Flagg Historical Award nominations are DUE on December 11

For a description of the award see:

<http://www.ashrae.org/File%20Library/docLib/Public/LouFlaggAwardCriteria.doc>

Another description is at:

http://www.ashrae.org/File%20Library/docLib/Public/20100707_20100627_louflaggawdreq.ppt

The nomination form can be found at:

<http://www.ashrae.org/File%20Library/docLib/Committees/Historical/2012-Lou-Flagg-Historical-Award-Form.doc>

PAOE Improvement in Criteria Suggestions are DUE January 2012 Do you have any ideas for improving the format of and the subcategories of the Historical Presidential Award of Excellence? Send to Bern Nagengast nagetk@bright.net before January 21.

Consider attending the Historical Committee meeting on Sunday, January 22, in Chicago. Regional Historians are non-voting members of the committee. The ASHRAE meetings are to place to be to find out about and discuss the latest HVAC&R technology. And the winter meeting is where to SEE that technology at the AHR EXPO, the International Air Conditioning, Heating, Refrigerating Exposition.

Region I news The Boston chapter will celebrate its Centennial in 2012.

If you have any suggestions for newsletter, please email me. *Bernard Nagengast Newsletter Editor*
