Reach the Most Valuable HVACR Engineering Audience with the ASHRAE 365 Mobile App

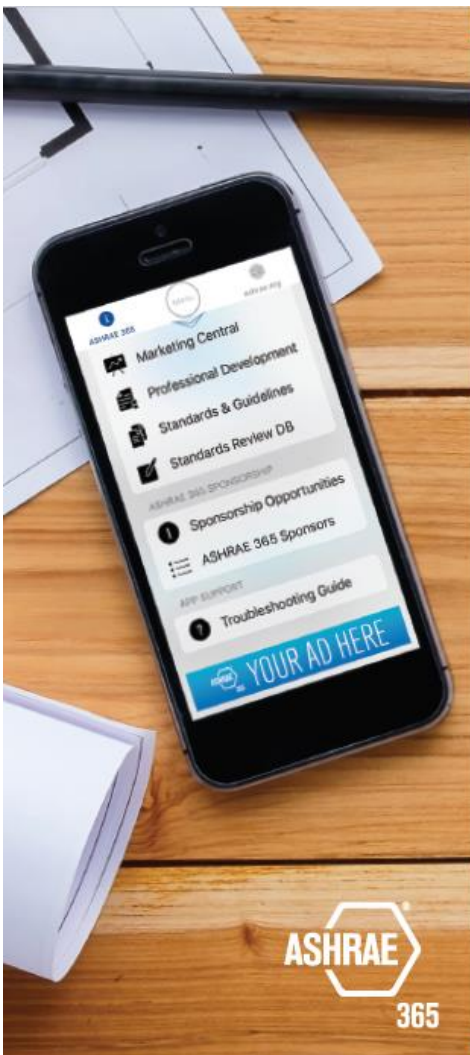

More than 20,000 people have downloaded the ASHRAE 365 mobile app for the latest information on technology and events.

About ASHRAE 365
ASHRAE 365 is designed as an award and for ASHRAE's audience of engineers, architects and others who need authoritative and credible engineering information and knowledge. It is how ASHRAE's members connect, share conference information and learn about resources.

The app is free for anyone to download, used throughout the year and presents real-time information during ASHRAE conferences.
